President's Message

Greetings friends,

As I write this on National Quilting Day I am still working on trying to finish my stack of UFO's. I find that I have started more projects than I have finished. The lure of starting a new project and picking out the fabrics often means that I find myself working on more than one project at a time. Sometimes I just need to work on something new to spark creativity. Sometimes the fabric is too pretty to ignore. I'm currently working on a denim quilt (thanks Nikki). I just knew that I would be finished in three weeks. Well that didn't happen. Part of it is on the design wall and the other part is in a bin. I put it aside for a few days and have been working on a four-year old UFO. I have also pulled out the David Taylor hummingbird. I really do need to finish that. I realize that my brain doesn't work in a linear fashion. I tend to go round in circles, but somehow manage to get it all done. So whether you are a one at a time quilter or like me jump from project to project, I hope you were able to quilt on National Quilting Day, and all the days that follow.

Take care,
Adrienne

Upcoming Programs

April 13, 7:00p.m. via Zoom. Heidi Hendrix will present a lecture on quilts made with men's silk ties. Heidi has been sewing since she was eight years old and sewed for many clients while in college at the Virginia Tech Home Economics. She also apprenticed under Deborah Steffen.

Heidi will demonstrate how to cut the ties for a quilt. Her tie quilt is a large lap size. She will also have a giveaway of a ruler for some lucky guild member.

May 11, 7:00p.m. via Zoom. Pat Speth, the Nickel Quilts lady, will present "Five Inch is a Cinch". This lecture and trunk show is sure to get you interested in using 5" squares of fabric and many of the ideas can also be adapted for using other precuts; such as 2 1/2" strips and layer cakes. Pat will show a great assortment of quilts from her collection and will focus on the blocks in the quilts and the simple components they are made from. Pat's books and patterns can be found on her website, patspeth.com

June 8, 7:00p.m. Annual social meeting that always includes games, prizes, and lots of fun. More details to come.

If you would like to invite a guest to an upcoming meeting, you can forward the meeting link that you receive from Elizabeth Hubbard to that person. Then let Elizabeth know so that she will be able to let them into the meeting room before the meeting begins.

Calvert County Quilt Guild Meeting Minutes

MARCH 9, 2021 MEETING

This was a virtual meeting held on Zoom. Twenty-one members and one guest were in attendance.

Meeting was called to order at 7:00 pm by President Adrienne Sims, and she introduced **Hilke Hoefer** as the guest speaker for the evening.
Hilke's presentation was a photo gallery of quilts and needlework that have been on display at the Greenbelt Federal Courthouse from 2003 to the present. When the courthouse opened, there were walls that were designed to display all kinds of art. A quilt and needlework show was presented there and when the show ended, a judge, who was an art collector and was involved with Sotterley, asked if the display of the crafts could be continued. The display changes periodically and any quilter and needleworker may submit a photo of their work for consideration. It was a great presentation and for those who have not seen the gallery in person, it was a treat. Thank you Hilke.

Show and Tell
Contributors were Anita Konzak, Debbie Deboodt, Pat Blackford, Adrienne Sims, Nancy Carnes and Ludmilla Hajdur-Stainbrook.

Elections
Adrienne Sims mentioned that we need two people to run for the offices of vice president and treasurer . The terms will begin in July.

Programs
Hilke has a speaker for the November meeting. Her name is Teresa Fusco. A contract has not been signed to date.

Fundraising
Hilke also mentioned a few places where we could show our raffle quilt and sell tickets and also sell some of our crafts:

- Annmarie Garden Artsfest (yearly event) $25.00 entry fee, non-refundable, to be submitted by 31 March. If we are approved the booth will be $275.00. The event will be in September.
- April 17, Our Lady Star of the Sea Church in Solomons will be having a craft fair. Dee Wunder will give more information soon.
- Also, on June 5, between the hours of 9 and 2, AMG will have the Green Life Festival and Market. The vendors will feature recycled crafts. Six volunteers will be needed to set-up and man the tables. The booth fee is $15.00.

We will need volunteers to work and products to sell.
Tomorrow's Treasures fabric shop in Bowie will allow us to leave our guild postcard during the Quilt Around the Bay Shop Hop, which will run from April 23 thru May 2.

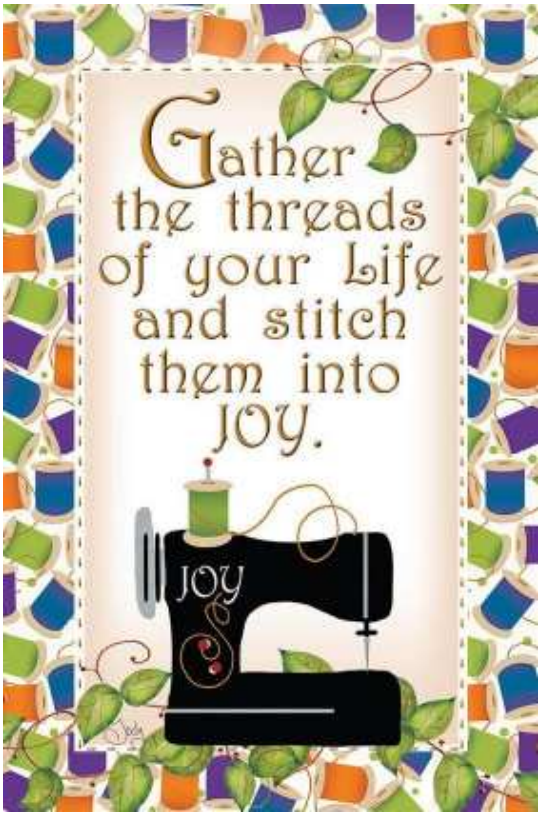

Debra Huebner reported that all of the raffle tickets have been distributed. Some are still waiting for pickup in the box on Sue Huesby's driveway.

Community Service
JoMarie Coster and her helper have delivered our wares to Angel Watch, Care Net, and Safe Harbor. We received Thank You notes from Care Net and Angel Watch.
The guild has received a $100.00 donation from the Republican Women's Club. The donation is to be used for Quilts of Valor. The donation has been accounted for in the "Other" column. JoMarie would like to see the donation listed as a separate line item. After some discussion, Adrienne asked that the motion be tabled until the next board meeting. The motion was seconded by **Pat Blackford** and **Jayne Roxey.** Motion passed.

Web site
Allison Korb will update and move the guild website onto a new system by March 31. This must take place because Site Builder on Yahoo is going away. Adrienne offered a friend, who has a background in computer programming, to help Allison.

Loretta Johnson was our guest this evening and was welcomed by all. We hope that she will join us when she moves to our area.

Pat Blackford moved to adjourn the meeting at 9:00pm. Seconded by **Anita Konzak**. Motion carried. Meeting adjourned.

Mystery Quilt 2021

Clue #5 and Clue #6

Continuation of the Mystery Quilt using the pieces built in Clue #1 and Clue #2 with the cut pieces in Clue #5 and then combining both sets in Clue #6.

From Cindy Carter, Copyright Information:
I have created all of my quilt patterns to be used as a FREE resource to other quilters. I am not selling them and explicitly prohibit others from doing so.
That being said, all you wonderful quilters please use them to create quilts for yourself and others. You may sell any quilts you make for a profit (no mass production). You may exhibit your quilts. I would love it if you all can use the patterns as a resource to help others, gifts for others who are sick or in need, our military, charities and fundraisers of any kind. You may use the patterns to teach classes as long as you provide the patterns free of charge to your students.
Quilt store owners – You are free to reproduce any of the patterns and provide them free of charge to your customers. If you can email me photos of any projects your customers complete making these patterns, I would deeply appreciate it.
Please respect the work I have done in creating these patterns. Make sure the patterns are not altered in any way and that proper credit is given if you are reproducing and sharing the patterns with others.
Please feel free to contact me if you have any questions.
