**President's Message**

Greetings Friends,

If you haven't had a chance to pay your dues, you are going to want to remember to send that check in. We have so many good programs and community outreach activities coming up you are not going to want to miss out. Be sure to read the entire newsletter, everything is listed with all the dates. We are going to be very busy this year and it's going to be so much fun!

Adrienne

Many parents fail to recognize the early warning signs of Obsessive Quilting Disorder.

**Upcoming Programs and Workshops**

**August 9, 7:00 pm at NEWLIFE Church. Phyllis Hatcher, Quilt Detective, Cold Case.** She will talk about dating quilts and the appraisal process. Phyllis shows how she determines the approximate date a quilt was made using a myriad of mysterious clues. Some curious stories and bits of textile chronicle are waiting to be shared. You may bring a vintage quilt to share.

**Wednesday, August 10 from 9:30 a.m. to noon at Huntingtown United Methodist Church.** Phyllis will do quilt appraisals by appointment. If you did not sign up at the July meeting, please contact Karla Sisson if you are interested in having a quilt appraised.

**September 13, 7:00 pm at NEWLIFE Church. Betty Tilley** will be doing a presentation on Cathedral Windows quilts. The Cathedral Window, inspired by historic church and cathedral stain glass windows, became popular in North America in the 1930s. Each quilt block is made using a folded patchwork technique. It is like origami whereby a fabric square (instead of paper) is folded and stitched to form a unique shape. In this case parts of the fabric are folded back to make a window revealing a contrasting-colored square of fabric inside.

**October 11, 7:00 pm at NEWLIFE Church. Marti Phelps** of the **Calvert Quilt Shop** will be speaking on one of her favorite topics, Quilt History. Her program will focus on the Century of Progress Quilt Contest at the 1933 Chicago World's Fair. It was the largest quilt show ever and was sponsored by Sears and Roebuck with serious prize money which attracted a lot of interest.

**NEWLIFE Church Food Pantry**

Donations are always welcome! Please consider donating whenever you attend a meeting or event at the church.

# PINWHEELS

**Fabrics and Cutting**

| | |
|---|---|
| Light fabric | Cut 2 7” x 7” squares for half square triangles |
| Dark print fabric | Cut 2 squares 7” x 7” for half square triangles |
| Medium fabric | Cut 4 squares 3.5” x 3.5” |

You will sew 4 6 ½” x 6 ½ “ squares which when sewn together will make a 12 ½” x 12 ½ “ square. All seam allowances are ¼”.

1. Draw a diagonal line on the back of both light squares see Fig 1. Layer one 7” dark and one 7” light square right sides together with the light square on top. Sew a ¼” seam on both sides of the drawn line. Cut on the drawn line see Fig. 2 and press to the dark side. Makes 4 units – trim to 6.5” square.

Fig.1

Fig. 2

2. Draw a diagonal line on the back of the 4 medium squares. Place the medium 3.5” square on the dark part of the half square triangle made in step 1 as seen in Fig. 3. Sew on the line. Make 4 units – trim away the outer side leaving a ¼” seam allowance as seen in Fig. 4. Press to the triangle. Make sure the units still measure 6.5” square.

Fig. 3

Fig. 4

Fig. 5

3. The 4 units sewn together will make a 12 ½ x 12 ½” square, but DO NOT sew the 4 squares together. These blocks may be laid out in many different ways. The winner of the blocks may choose the layout. The triangles cutoff in Fig. 4 maybe sewn together to make a 2 ½” square and used in another project.
