Presidents Message

Well, this is my last message to you all as President. My term is up June 30 and Anita Turley is the new incoming President. We are still in need of a Secretary as Marlene's term has come to an end as well. I would like to thank the Executive Board Members and the Committee Chairs for their tireless work for our Guild. I also thank the general guild members who volunteer their time and skills to support the guild's mission, whether it's sewing charity quilts or manning booths at our various public events. I look forward to a wonderful year to come.
So, with that, I bid you adieu and Happy Quilting!

Julie Trollinger,

President

The Pearl S. Buck House Museum invites you to "Pieced Together: American Quilts Across Generations," a celebration of American art, culture, and history and an America 250 event.

Featuring 163 years of quilting history, the collection includes early utilitarian quilts from the 19th century alongside contemporary art quilts, including award-winning pieces from regional and national exhibitions. Each quilt highlights the evolution of design, technique, and cultural storytelling, offering insight into the changing role of quilting in American life. The quilts in this exhibit were crafted by both modern quilters and quilting guilds, using both modern and vintage patterns and materials, as well as family heirloom quilts, handed down generation to generation over the course of decades and even centuries.

We invite you to not only visit this exhibit yourself but to share this flyer with your patrons or members. "Pieced Together" opens June 8 at the Pearl S. Buck House Museum, located at 520 Dublin Road in Perkasie, Bucks County, Pennsylvania, 18944 (about an hour north of Philadelphia). Tickets are on sale now at https://pearlsbuckinternational.ticketspice.com/quilt-exhibit.
